RETURN TO COMPLIANCE**

Dear Mr. Pamboukis:

Thank you for your response to Ohio EPA's April 14, 2010 Notice of Violation (NOV). Your response was received via e-mail on May 3, 2010. The documentation you submitted included a photograph of a labeled box of universal waste lamps with an accumulation date.

I have reviewed your documentation and determined that it is sufficient to correct the outstanding violations in the NOV:

1. **Universal Waste Management Standards—Containers**
OAC 3745-273-13(D) and 14(E)
2. **Accumulation Time for Universal Waste**
OAC 3745-273-15

No response to this letter is required.

Please feel free to contact me at (330) 963-1170 if you have any questions.

Failure to list specific deficiencies or violations in this communication does not relieve Heritage Industrial Finishing from the responsibility of complying with all applicable Ohio EPA laws and regulations. Please be advised that present or past instances of non-compliance can continue as subjects of pending or future enforcement actions.

Sincerely,

Edward J. D'Amato
