**RE: HOUSTON TOWING, 16725/16801 S. MILES RD., CLEVELAND, OH 44128
CUYAHOGA COUNTY, COMPLAINT 7332**

Dear Mr. Houston:

On July 14, 2010, Ohio EPA conducted an inspection of the property located at 16725 / 16801 South Miles Road in Cleveland, Ohio. The purpose of the inspection was to determine Houston Towing's compliance with Ohio's hazardous and solid waste laws as found in Chapter 3734. of the Ohio Revised Code (ORC) and Chapter 3745. of the Ohio Administrative Code (OAC). On September 27, 2010, Ohio EPA conducted a re-inspection of the property.

On October 20, 2011, I received your response (dated August 26, 2010) to Ohio EPA's July 22, 2010 Notice of Violation (NOV) letter.

The following is the status of the violations:

Hazardous Waste Violations

1. OAC rule 3745-279-22(D), Used Oil Requirements for Generators: Houston Towing's response indicated that the release of used oil was cleaned up. **Based upon submitted information, this violation has been addressed.**
2. OAC rule 3745-279-71(A)(B), Prohibitions on Used Oil Fuel Marketers: Houston Towing's response indicated that, in the future, used oil will be shipped to an approved facility. **Based upon submitted information, this violation has been addressed.**

Solid Waste Violations

The following solid waste violations remain outstanding and will be addressed in a separate letter:

3. ORC § 3734.02(C)
4. ORC § 3734.05(A)(1)
5. OAC rule 3745-37-01(A)

6. ORC § 3734.03
7. OAC rule 3745-27-05(C)
8. OAC rule 3745-27-60(B)(8)

Ohio EPA's failure to list specific deficiencies or violations in this letter does not relieve Houston Towing from having to comply with all applicable regulations.

Should you have any questions, please contact me at (330) 963-1108.

Sincerely,

Frank A. Zingales
Environmental Specialist
Division of Hazardous Waste Management
