Dear Mr. Rizzo:

Thank you for your March 2, 2010 response to Ohio EPA's February 18, 2010 Notice of Violation (NOV). Your letter was received on March 5, 2010.

7. **Emergency Equipment Inspections**
OAC 3545-65-33
8. **Emergency Response Information**

No response to this letter is required.

Please feel free to contact me at (330) 963-1170 if you have any questions.

Failure to list specific deficiencies or violations in this communication does not relieve GMP Friction Products from the responsibility of complying with all applicable Ohio EPA laws and regulations. Please be advised that present or past instances of non-compliance can continue as subjects of pending or future enforcement actions.
