Dear Mr. Steinmetz:

Thank you for your March 7, 2008 response to Ohio EPA's February 20, 2008 Notice of Violation Letter (NOV). In your letter you submitted documentation which demonstrated that Goodrich has trained all employees who had not received the required hazardous waste training in 2007.

Based upon my review of this documentation, Goodrich has adequately addressed the outstanding violations discovered during the January 31, 2008 site visit.

Sincerely,

Nyall McKenna

Division of Hazardous Waste Management
