Dear Mr. Vanderhoff:

Thank you for your November 15, 2010 response to Ohio EPA's November 2, 2010 Notice of Violation letter. The documentation you submitted included digital photos of the labeled used oil tanks and the outdoor area where the tar was removed.

My review of this documentation reveals that Fleet Maintenance Service has now abated the violation discovered during the October 19, 2010 inspection as listed below.
