Ms. Tamberlyn Shell
Environmental Engineer
Ford Motor Company – Ohio Assembly Plant
650 Miller Road
Avon Lake, OH 44012

Dear Ms. Shell:

On September 11, 2008, the Ohio Environmental Protection Agency (Ohio EPA) received Ford Motor Company - Ohio Assembly Plant's (Ford) response to the Agency's August 11, 2008 Notice of Violation letter. Additional information was received from the facility on August 11 and September 16, 2008. Ford submitted: a copy of the incident report and corrective measures; waste analysis data; manifests; and documentation that the contingency plan was submitted to all emergency authorities.

Ohio EPA's review of this documentation reveals that Ford has adequately abated all violations discovered during the July 11, 15 and 16, 2008 inspections.

Should you have any question, please feel free to call me at (330) 963-1278.

Sincerely,

Wade Balser
District Representative
