Dear Ms. Wagoner:

Thank you for your October 2, 2008 response to Ohio EPA's October 1, 2008 Notice of Violation letter. You submitted documentation including your updated Contingency Plan indicating the correct location of mops. This adequately addresses item number 7 in our October 1 Notice of Violation.

7. OAC 3745-65-54(E) - Amendment of Contingency Plan

Returned To Compliance - Ferro returned to compliance of October 6, the date we received your response.

My review of this document reveals that Ferro adequately demonstrated abatement of all violations discovered during our September 18 and September 25, 2008 inspections.

If you should have any questions, please feel free to call me at (330) 963-1245.

Sincerely,

Bill Lutz
