Dear Mr. Butauski:

On February 1, 2011, we received your response to my January 20, 2011 letter. Your response included universal waste training documentation for employees managing those wastes. My review of your submittal confirms that you have adequately addressed the remaining violation. Your facility has now abated all violations cited as a result of my August 23, 2010 hazardous waste inspection.

Thank you for your cooperation. Should you have any questions related to this letter, please feel free to call me at (330) 963-1226.

Sincerely,

Sherry K. Slone
Division of Hazardous Waste Management
