RE: **KIRTLAND AUTO SERVICE  
COMPLAINT # 7187  
LAKE COUNTY  
NON-NOTIFIER/CESQG  
RETURN TO COMPLIANCE**

**CERTIFIED MAIL**

Mr. Bill Ray  
Kirtland Auto Service  
7564 Euclid Chardon Road  
Kirtland, Ohio 44094

Dear Mr. Ray:

Thank you for submitting a response to the Ohio EPA, November 13, 2009 Partial Return to Compliance letter. The submittal included a Bulldog Battery, Inc. receipt for battery recycling, a Max Tech receipt for anti-freeze recycling, and an explanation that the three drums on the east side of the building had motor oil in them.

Ohio EPA's review of this documentation reveals that Kirtland Auto Service has adequately demonstrated abatement of the one remaining violation discovered during the March 31, 2009 complaint investigation.

Kirtland Auto Service has abated all other violations and clarified the comments contained in the original July 16, 2009 Notice of Violation.

Ohio EPA's failure to list specific deficiencies or violations in this letter does not relieve your company from having to comply with all applicable regulations.

Should you have any questions, please feel free to call me at (330) 963-1214. You can find copies of the rules and other information on the DHWM's web page at <http://www.epa.ohio.gov/dhwm>.

Sincerely,

Kim Gallagher  
Environmental Specialist  
Division of Hazardous Waste Management
