Dear Mr. Sahyers:

Thank you for your July 25, 2007 response to Ohio EPA's June 25, 2007 Notice of Violation. Your letter was received via e-mail on July 25, 2007.

Ohio EPA has reviewed your letter and accompanying documentation and has determined that it is sufficient to abate the remaining violations in the NOV:

2. **Universal Waste Lamps- Containers**  
**OAC 3735-273-13(D)(1)**
3. **General Inspection Requirements**  
**OAC 3735-66-74(B)**

The documentation is also sufficient to address the concerns noted in the NOV.

No response to this letter is required.

Failure to list specific deficiencies in this communication does not relieve Johnsonite Corporation from the responsibility of complying with all applicable Ohio EPA laws and regulations. Please be advised that present or past instances of non-compliance can continue as subjects of pending or future enforcement actions.

Please feel free to contact me at (330) 963-1170 if you have any questions.

Sincerely,

Edward J. D'Amato
