Re: Ohio EPA Facility Identification 0855780013

WARNING LETTER

Dear Mr. Donovan:

As part of a compliance evaluation, an inspector from the Regional Air Pollution Control Agency (RAPCA) performed USEPA Reference Method 9, Visible Determination of the Opacity of Emissions, at Piqua Materials Incorporated (Piqua Materials) located at 1750 Statler Road, Piqua, Ohio in Miami County, for emission units P001 (Limestone Pulverizer) and P002 (Pulverized Limestone Dryer) in accordance with Ohio Administrative Code (OAC) rule 3745-17-03 (B)(3) on September 28, 2007. Observations conducted on the stacks for emissions units P001 and P002 noted visible particulate emissions in violation of permit terms and conditions.

Per the Permit To Operate (PTO) issued 04/14/1998, Part II, Special Terms and Conditions, Section A.1., visible particulate emissions from emissions unit P001, shall not exceed twenty percent opacity, as a six-minute average, except as provided by rule. USEPA Reference Method 9 readings performed on September 28, 2007, identified three non-overlapping 6-minute averages of 20.2, 22.7 and 24.0 from P001. This is in violation of OAC and MCBHLAPCR rules 3745-17-07 (A), the PTO and Ohio Revised Code (ORC) 3704.05.

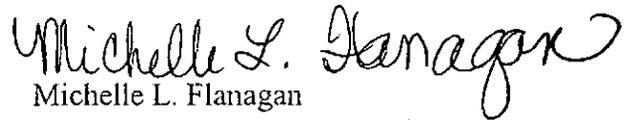

Per the Permit To Operate (PTO) issued 11/04/2005, Part II, Special Terms and Conditions, Section A.1., visible particulate emissions from emissions unit P002, shall not exceed twenty percent opacity, as a six minute average, except as provided by rule. USEPA Reference Method 9 readings performed on September 28, 2007, identified three non-overlapping 6-minute averages of 26.7, 27.1 and 39.8 from P002. This is in violation of OAC and Miami County Board of Health Local Air Pollution Control Regulations (MCBHLAPCR) rules 3745-17-07 (A), the PTO and Ohio Revised Code (ORC) 3704.05.

RAPCA requires that Piqua Materials submit a compliance plan and schedule to bring emissions units P001 and P002 into compliance within 14 days of receipt of this letter. Acceptance of the compliance plan by RAPCA does not constitute a waiver of the Ohio EPA's and RAPCA's authority to seek civil penalties as provided in section 3704.06 and 3707.49 of the Revised Code.

Mr. Donovan
