WARNING LETTER

Dear Mr. Ali:

On October 29, 2007, an inspector from the Regional Air Pollution Control Agency (RAPCA) conducted a compliance evaluation at Ali Industries, Incorporated (Ali). As part of the evaluation, the inspector noted that Ali failed to maintain required records per permit terms and conditions for emissions unit P001, Abrasive Belt Assembly; Inline Scuffing/Gluing Machine.

Per Special Terms and Conditions of Permit To Install (PTI) 08-02964 issued 3/30/1994, emissions unit P001 shall maintain daily records of the amount of adhesive employed and not exceed 2.6 tons per year organic compounds (OC). On November 26, 2007, Ali submitted a letter stating that adhesive usage for 2006 was 12,931 pounds or 5.11 tons OC. Since Ali failed to maintain actual daily adhesive usage, purchase records were used to determine emissions. This amount of OC emissions is in violation of PTI 08-02964 and Ohio Revised Code (ORC) 3704.05. RAPCA requests that Ali submit a PTI modification within 30 days of receipt of this letter.

RAPCA appreciates your cooperation in the above matter. If you need any further clarification, please feel free to contact me at 496-7467.

Sincerely,

Michelle L. Flanagan
Air Pollution Control Specialist
Abatement Unit
