Dear Mr. Deitering:

### WARNING LETTER

On August 30, 2010, the Regional Air Pollution Control Agency (RAPCA) received a complaint from the Greenville Fire Department regarding the open burning of trash and wooden waste materials, including skids, concrete forms and construction debris at your business, Specialized Castings, located on 1569 Martindale Road in Greenville, Ohio. The burning occurred on August 28, 2010, and was extinguished by the Fire Department. The burn site was located in a restricted area and this open burning is in violation of the following state and local air pollution control regulations:

- \* Ohio Administrative Code (OAC) rule: 3745-19-03,  
Open Burning in Restricted Areas.
- \* Darke County Board of Health Air Pollution Control Regulations (DCBHAPCR)  
rule: 3745-19-03, Open Burning in Restricted Areas.

Pursuant to the aforementioned regulations, the open burning of trash is prohibited in Ohio and burning clean dry wood for waste disposal is not permissible within 1,000 feet of neighboring inhabited buildings. Furthermore, businesses are not permitted to burn any type of material for waste disposal. Therefore, NO open burning for waste disposal is permissible on this property. Additionally, please note that it is not permissible to open burn material for waste disposal that has been transported from another property. This letter serves as official notification to cease all open burning in violation of the aforementioned regulations.

RAPCA appreciates your cooperation in this matter. Please feel free to contact our office if you have any questions regarding this information. I can be reached at (937) 496-7541.

Sincerely,

Christine A. Swetz
