Springfield, OH 45501

WARNING LETTER

Dear Mr. Seagrest:

On April 2, 2008, the Regional Air Pollution Control Agency (RAPCA) received a complaint regarding smoke and odors from a stack located at 725 Mound Street, Springfield, Ohio. On April 2, 2008, an investigation was conducted and a wood furnace was found that was being fueled with laminated and coated wood.

Pursuant to Ohio Administrative Code (OAC) rule and Clark County Combined Health District Air Pollution Control Regulations (CCCHDAPCR) rule 3745-19-03, **Open burning in restricted areas**, all open burning for the purposes of waste disposal is prohibited. This includes, but is not limited to, the burning of paper, plastics, and coated/treated wood in any device not specifically designed to burn this type of material (i.e. an incinerator). Only clean dry firewood may be burned in your wood furnace. The burning observed on April 2, 2008 is a violation of OAC and CCCHDAPCR rule 3745-19-03. A copy of the rules has been included.

You are hereby ordered to cease all illegal burning. Any additional violations may result in civil penalties. If you have any questions regarding the open burning regulations, please feel free to contact me at 937-225-4004.

Sincerely,

Eileen C. Moran  
Air Pollution Control Specialist

DAYTON OH 454
