Springfield, OH 45506

WARNING LETTER

Dear Mr. Anderson:

On June 2, 2008, the Regional Air Pollution Control Agency (RAPCA), received a complaint from the Clark County Combined Health District regarding open burning of waste at The Ole Fishing Hole on Lower Valley Pike, Springfield. On June 6, 2008, RAPCA investigated the complaint and found burned rubbish in several of the metal 55 gallon drum serving as garbage cans.

Pursuant to Ohio Administrative Code (OAC) rule and the Clark County Combined Health District Air Pollution Control Regulations (CCCHDAPCR) 3745-19-04, Open burning in unrestricted areas, open burning of residential and commercial waste for the purpose of waste disposal within 1000 feet of the nearest neighboring inhabited residence is prohibited. Residential and commercial waste includes, but is not limited to, paper, plastics, metals, building materials, wood, leaves, grass, and brush. The open burning documented on June 6, 2008 by RAPCA is a violation of OAC rule and CCCHDAPCR rule 3745-19-04. Orders were issued to The Ole Fishing Hole/Larry Anderson on June 6, 2008 with Helen Martin accepting the orders.

This letter serves as notification to you of the above mentioned violations. You are hereby ordered to cease all illegal open burning activities. Any further actions in violation of the above mentioned rules may result in an enforcement action with civil and/or criminal penalties. If you have any questions, please contact me at 937-225-4004.

Sincerely,

Eileen C. Moran
Air Pollution Control Specialist

cc: Clark County Combined Health District
