WARNING LETTER

Dear Mr. Hartman:

On June 19, 2008, the Regional Air Pollution Control Agency (RAPCA), received a complaint regarding illegal open burning of painted wood at 743 Hyman St, New Carlisle, Ohio. On June 20, 2008, RAPCA investigated the complaint and found a recreational burn site in the rear of the residence along with several pallets, some of which were broken down into smaller pieces and some of which were painted with red and blue paint..

Pursuant to Ohio Administrative Code (OAC) rule and the Clark County Combined Health District Air Pollution Control Regulations (CCCHDAPCR) 3745-19-03, Open burning in restricted areas, open burning of treated or coated wood is prohibited. The open burning documented on June 20, 2008 by RAPCA is a violation of OAC rule and CCCHDAPCR rule 3745-19-03.

The open burning regulations for restricted areas do, however, permit recreational fires. Such fires are required to be fueled with **clean seasoned firewood**, may not be used for waste disposal, and must have a total fuel area of **three feet or less in diameter and two feet or less in height**. A recreational fire fueled with material other than clean seasoned firewood is a violation of the open burning regulations. Enclosed is a fact sheet containing additional information on the open burning regulations.

This letter serves as notification to you of the above mentioned violations. You are hereby ordered to cease all illegal open burning activities. Any further actions in violation of the above mentioned rules may result in an enforcement action with civil and/or criminal penalties. If you have any questions, please contact me at 937-225-4004.

Sincerely,

Eileen C. Moran
