Re: Hocking County  
Open Burning  
Complaint 30001151

Mr. Dan Weaver  
Logan Truss  
35718 Scout Road  
Logan, Ohio 43138

Dear Mr. Weaver:

I am writing this letter in response to a complaint received by this office on October 26, 2009. The complaint alleges that waste materials are being open burned at Logan Truss.

On October 30, 2009, I investigated this complaint and spoke to you. You told me that clean lumber scraps were burned on the ground to the left of your building. As I explained at time, a business cannot open burn any type of waste materials for disposal purposes. I gave you a pamphlet that explains Ohio's open burning rules. Evidence of the open burning of wood scraps was observed.

Open burning of improper waste materials at this location is in violation of Ohio Administrative Code (OAC) rule 3745-19-04 and is punishable by a fine. All open burning in violation of the requirements specified in OAC rule 3745-19-04 must stop immediately. If you continue to open burn improper waste materials, legal action may be taken against you.

If you have any questions regarding this matter, please contact me at 740-380-5217.

Sincerely,

Lisa Duvall  
Environmental Specialist  
Division of Air Pollution Control
