**WARNING LETTER**

Dear Mr. Bonser:

On April 24, 2009, the Regional Air Pollution Control Agency (RAPCA) received a citizen complaint regarding the open burning of green wood and brush at 137 Park, Dayton, Ohio. The Regional Air Pollution Control Agency (RAPCA) witnessed the open burning of green wood and brush at this location for waste disposal. The burning of wood, brush and other debris is restricted and is a violation of Ohio Administrative Code (OAC) 3745-19-03, "Open Burning in Restricted Areas".

This letter serves as a warning from the Regional Air Pollution Control Agency to cease all open burning in violation of state air pollution control regulations. In the future, alternative means of disposal must be employed. **Failure to comply or additional complaints may result in enforcement action that could result in civil or criminal penalties as provided by Ohio Revised Code sections 3704.03, 3704.05 and 3707.48.**

I have enclosed a brief rule summary for your review. If you have any questions regarding this matter, you may contact me at (937) 225-4435.

Sincerely,

Jason C. Simon
