WARNING LETTER

Dear Mr. Davis:

On November 14, 2007, the Regional Air Pollution Control Agency (RAPCA) received an incident report from the Brookville Twp. Fire Department regarding the open burning of a mattress, paint, wood and brush at 8823 National Road, Brookville, OH. The open burning of this material in an unrestricted area is a violation of Ohio Administrative Code (OAC) and Montgomery County Combined General Health District Air Pollution Control Regulations (MCCGHDAPCR) 3745-19-03. A restricted area is an area within the boundary of any municipal corporation, plus a zone extending one mile beyond any such municipal corporation.

This letter serves as a warning from the Regional Air Pollution Control Agency to cease all open burning in violation of both state and local air pollution control regulations. In the future, alternative means of disposal must be employed.

If you have any questions regarding this matter, you may contact me at 225-4435.

Sincerely,

Jason C. Simon
