WARNING LETTER

Dear Mrs. Lykins:

On April 6, 2008, the Regional Air Pollution Control Agency (RAPCA) received an incident report from the Miami Twp. Fire Department regarding the open burning of roofing shingles, timbers, fiberglass panels and other rubbish from 6649 Favorsham Rd., Miamisburg, OH. The open burning of these materials in a restricted area is a violation of Ohio Administrative Code (OAC) and Montgomery County Combined General Health District Air Pollution Control Regulations (MCCGHDAPCR) 3745-19-03. A restricted area is an area within the boundary of any municipal corporation, plus a zone extending one mile beyond any such municipal corporation.

This letter serves as a warning from the Regional Air Pollution Control Agency to cease all open burning in violation of both state and local air pollution control regulations. In the future, alternative means of disposal must be employed. Any future illegal burning may result in enforcement action which may include civil and criminal penalties.

If you have any questions regarding this matter, you may contact me at 225-4435.

Sincerely,

Jason C. Simon

Air Pollution Control Specialist
