WARNING LETTER

Dear Mr. Riley:

On September 4 and Sept 21, 2008, the Regional Air Pollution Control Agency (RAPCA) received complaints from a local citizen regarding the open burning of brush and other landscape debris from your property at 2600 San Rae Drive, Kettering, OH. On September 4 and 22, 2008, RAPCA conducted inspections and documented evidence of open burning at the rear of the property at the address noted above.

Open burning for the purpose of waste disposal was verified behind the property. This activity is in violation of Ohio Administrative Code (OAC) rule 3745-19-03 and Montgomery County Combined General Health District Air Pollution Control Regulations (MCCGHDAPCR) 3745-19-03 Open burning in a restricted area. This rule prohibits the open burning of any material for waste disposal.

This letter serves as a warning from the Regional Air Pollution Control Agency to cease all open burning in violation of both state and local air pollution control regulations. Any further violations of the above mentioned regulations may result in the pursuit of civil and/or criminal penalties as provided in section 3704.06 and 3707.49 of the Ohio Revised Code. If you have any questions or concerns, you may contact me at (937) 225-4435.

Sincerely,
