WARNING LETTER

Dear Mr. Donselman:

On May 27, 2008, the Regional Air Pollution Control Agency (RAPCA) received an incident report from the Butler Twp. Fire Department regarding the large scale open burning of wood and brush at 7345 Frederick Pike, Dayton, OH. Open burning in a restricted area is a violation of Ohio Administrative Code (OAC) and Montgomery County Combined General Health District Air Pollution Control Regulations (MCCGHDAPCR) 3745-19-03 "Open Burning in a Restricted Area". A restricted area is an area within the boundary of any municipal corporation, plus a zone extending one mile beyond any such municipal corporation.

This letter serves as a warning from the Regional Air Pollution Control Agency to cease all open burning in violation of both state and local air pollution control regulations. In the future, alternative means of disposal must be employed.

Any further violations of the above referenced rules may result in enforcement action which may include criminal and /or civil penalties.

If you have any questions regarding this matter, you may contact me at (937)225-4435.

Sincerely,

Jason C. Simon
