Annual Reporting Requirements for Emissions Units K001 and K002**

Dear Mr. Middleton:

WARNING LETTER

The Regional Air Pollution Control Agency (RAPCA) has recently become aware of the fact that Jack Walker Pontiac, Toyota, Mitsubishi Inc. has not submitted annual reports for the 2007 calendar year as required by permit terms and conditions for emissions unit K001 (Paint spray booth #1) and emissions unit K002 (Paint spray booth #2).

Specifically, the Permits to Operate (PTOs) issued on February 2, 2006, for emissions units K001 and K002, require that annual reports be submitted which specify the total actual annual VOC emissions from each of these emissions units. These reports shall be submitted to RAPCA by January 31 of each year and shall cover the previous calendar year. A letter was issued by RAPCA, on April 24, 2007, advising Jack Walker Pontiac, Toyota, Mitsubishi Inc. of these annual reporting requirements.

Jack Walker Pontiac, Toyota, Mitsubishi Inc. is hereby officially notified of the failure to submit annual reports, as required by PTO terms and conditions. Failure to submit these reports is a violation of the PTOs and Ohio Revised Code 3704.05. RAPCA requests that within fourteen (14) days after receipt of this letter, Jack Walker Pontiac, Toyota, Mitsubishi Inc. submit the required annual reports for emissions units K001 and K002 for the 2007 calendar year and a compliance plan to ensure that all future annual reports will be submitted in a timely manner.

RAPCA appreciates your cooperation in this matter and if you have any questions, feel free to contact me at 937-225-5923.

Sincerely,

Brandie K. Lehman
