WARNING LETTER

Dear Ms. Wittman:

On April 24, 2008, the Regional Air Pollution Control Agency (RAPCA), received a complaint regarding illegal open burning at 343 N. Alcony Conover Road, Casstown, Ohio. The complainant alleged that a large amount of brush was burned on April 23, 2008. On April 24, 2008, a complaint investigation was performed and a large burn site approximately 20 x 10 foot was observed. The burn site was located within 1000 feet of the nearest neighboring inhabited residence. There was also a trailer full of brush on site and numerous piles of brush, leaves, and wood and RAPCA has determined that the waste was hauled to the site for waste disposal purposes.

Pursuant to Ohio Administrative Code (OAC) rule and Miami County Board of Health Local Pollution Control Regulations (MCBHLAPCR) 3745-19-04, Open burning in unrestricted areas, open burning for the purpose of waste disposal purposes is prohibited within 1000 feet of the nearest neighboring inhabited residence. Additionally, any open burning for waste disposal purposes is limited solely to waste that is generated on site; hauling waste to the site for disposal via open burning is prohibited. The open burning documented on April 24, 2008 by RAPCA is a violation of OAC rule and MCBHLAPCR rule 3745-19-04.

This letter serves as notification to you of the above mentioned violations. You are hereby ordered to cease all illegal open burning activities. Any further actions in violation of the above mentioned rules may result in an enforcement action with civil and/or criminal penalties. If you have any questions, please contact me at 937-225-4004.

Sincerely,
