Re: Meadow Grove Estates North / Franklin County

Dear Mr. Bauchmoyer:

This letter is written regarding the storm water inspection that I conducted along Buckeye Parkway, in Grove City, Franklin County, on December 18, 2009. The agency understands that these construction activities are currently covered under the General Storm Water Permit Associated with Construction Activities. Based on the site inspection and the General Storm Water Permit, the following items must be addressed under the storm water permit.

Sediment and Erosion Controls:

- There was no active construction at the site during the inspection. There did not appear to be any erosion leaving the site and all barren areas were stabilized. You appeared to be in compliance with your General Storm Water Permit.

If you have any questions regarding this letter or my inspection, please do not hesitate to call me at our Central District Office at (614) 728-3851.

Sincerely,

Gregory L. Sanders
Environmental Specialist
Division of Surface Water
