**Re: Pre-Construction Storm Water Inspection at Sam's Club #6326-04/
Permit #4GC03046*AG**

Dear Mr. Goldsmith:

This letter is regarding the storm water inspection I conducted at Sam's Club #6326-04 located at 2675 Taylor Road in Fairfield County on December 15, 2009. This facility is currently covered under Ohio EPA's General Storm Water Permit. Based on my site observations, the following items were noted

Sediment and Erosion Controls:

- Site construction appears complete and the site is properly stabilized in accordance with the permit requirements:
- I agreed the post construction BMP (Best Management Practices) implementation may be postponed until spring of 2010.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at (614) 728-3844.

Sincerely,

Harry Kallipolitis
Storm Water Coordinator
Division of Surface Water
