Dear Mr. and Mrs. Sisler:

On March 31, 2010, I investigated a complaint of burning trash at your home. I also investigated a similar complaint earlier this spring. The complaints alleged that you burn trash in your outdoor wood furnace. You indicated that you are having a problem with one of your neighbors. During my second visit, you requested a follow-up letter with my findings.

Based upon my March 31, 2010 investigation, I did not see any evidence of the burning of trash in your outdoor wood furnace. There were no pieces of trash or trash bags anywhere outside and no melted plastic or residue on the furnace or near the furnace.

If you have any questions regarding this matter, please contact me at 740-380-5217 or 1-80-686-7330.

Sincerely,

Lisa Duvall
