To ensure the safety of drinking water provided by your system monitoring for total coliforms is essential.

**Timing:** As soon as practical, but no later than 30 days after learning of the violation:

- Mail or other direct delivery to each customer;
- Newsletters or newspaper;
- E-mail to employees or students;
- Send to parents or guardians of children at schools or day care facilities;
- Posted notices must remain in place as long as the violation or situation exists, but in no case less than seven days (even if the violation is resolved).
