Subject: Notice of Violation of failure to issue public education materials for lead action level exceedance

Dear Mr. Holley:

A review of our records indicates that your public water system incurred violations of rule 3745-81-85 (C) of the Ohio Administrative Code (OAC) for failure to distribute lead public education information on lead in drinking water to each person served by the State Line MHP #2 water system by November 29, 2007. The delivery of public education material is required whenever a public water system exceeds the lead action level. Please refer to our letter of January 22, 2008, enclosed. Your public water system exceeded the lead action level during the sampling period of June - September 2007.

Actions required as a result of the above violations

Step 1	<p>Within 30 days issue the attached public notice of the violation in accordance with rule 3745-81-32 of the Ohio Administrative Code by the following method(s) to reach all persons served by the public water system:</p> <ol style="list-style-type: none"> 1. Mail or other direct delivery to each customer; and 2. Any other method reasonably calculated to reach other persons regularly served by the system.
Step 2	<p>Fill out the attached verification form and send along with a copy of the public notification issued within 10 days to the Northeast District Office of the Ohio EPA.</p>
