SUBJECT: CCR VIOLATIONS

Dear Mr. Deioma:

Ohio EPA has reviewed the 2006 and 2007 Consumer Confidence Report (CCR) for the Greentree Water Company. The CCRs were reviewed for the required content. Based on our review, the Greentree Water Company's public water system is in violation of the Ohio Administrative Code (OAC) Rules 3745-96-01 through 04 for failure to comply with the CCR requirements, the following violations were noted:

1. The Table of Detected Contaminants was not included in the report.
2. Some or all of the required definitions for terms used in the report were not included in the report.

Be sure to correct the violation(s) as appropriate in your next CCR. The next report for calendar year 2008 must be sent to your customers by no later than July 1, 2009. A copy of the CCR along with a Certification Form must be submitted to the Northeast District Office at the above address. Violations in future reports may result in further enforcement action.

The CCR template and template guide are accessible on our Web site: www.epa.state.oh.us/ddagw.
