Subject: Failure to Sample Drinking Water for Total Coliforms as Required

Hi-Road Drive-In Theater is in violation of Ohio Administrative Code (OAC), Rule 3745-81-21 for failure to comply with the total coliform monitoring.

Monitoring Period: March 2012
Required Coliform Monitoring: Five (5) temporary routine samples
Sample Results Submitted: None

To ensure the safety of drinking water provided by your system monitoring for total coliforms is essential.

ACTION REQUIRED:

- 1. Notify the people served by this water system** using one or more of the methods and the timing as required by OAC, Rule 3745-81-32 to reach all persons served.

Timing: As soon as practical, but no later than 30 days after learning of the violation:

- Posting in conspicuous location, such as bulletin boards, restrooms, drinking fountains, vending areas;
- Mail or other direct delivery to each customer;
- Newsletters or newspaper;
- E-mail to employees or students;
- Send to parents or guardians of children at schools or day care facilities;
- Posted notices must remain in place as long as the violation or situation exists, but in no case less than seven days (even if the violation is resolved). The language in italics on the enclosed public notice is mandatory and must be included, as written. Do not make changes to the public notice without consulting with the Ohio EPA beforehand.

PUBLIC NOTICE - DRINKING WATER WARNING

Monitoring requirements were not met for Hi-Road Drive-In Theater

We are required to monitor your drinking water for specific contaminants on a regular basis. Results of regular monitoring are an indicator of whether or not your drinking water meets health standards. During March 2012, we "did not monitor or test" or "did not complete all monitoring or testing" for total coliform bacteria, and therefore cannot be sure of the quality of your drinking water during that time.

What Should I Do?

- *There is nothing you need to do at this time. You do not need to boil your water or take other corrective action.*
- *This notice is to inform you that Hi-Road Drive-In Theater did not monitor and report results for the presence of total coliform bacteria in the public drinking water system during the March 2012 time period, as required by the Ohio Environmental Protection Agency.*

What is being done?

Upon being notified of this violation, the water supply was required to have the drinking water analyzed for the above mentioned parameters. The water supplier will take steps to ensure that adequate monitoring will be performed in the future.

For more information, please contact _____ at _____
name of contact phone number
or at _____
mailing address

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.
