**Subject: Rescinding Violation - MOR CONTENT STATE VIOLATION, MI**

Your public water system was issued a notice of violation of Rule 3745-81-14 or 21 of the Ohio Administrative Code dated April 25, 2012, for the period of March 2012.

Per an e-mail from Ann Scott, IFM Environmental, dated April 27, 2012, the chlorine residuals that were reported on the March 2012 Plant / Distribution MOR were entered incorrectly. The MOR has been corrected and resubmitted to our office. Therefore, this violation did not occur and is being rescinded.

If you have any questions, please contact this office at 419-373-3007.

Sincerely,

Clayton McKee  
Division of Drinking and Ground Waters
