Dear Mr. Pistole:

I received your response to my March 30, 2012, Notice of Violation letter on May 9, 2012. The documentation that you submitted included copies of shipping papers and a manifest for tires and containers of used gasoline/oil mixture.

My review of this documentation reveals that Pistole's Auto Truck & Equipment has adequately demonstrated abatement of the violation discovered during the March 21, 2012 compliance inspection.

If you have any questions regarding this letter, please call me at 740.380.5256.

Sincerely,

Melody Stewart
