RE: OPEN BURNING

Dear Mr. Walters:

County Pointe Care Center is in violation of Ohio's air pollution regulations and needs to take prompt action.

Cease Burning

Immediately cease all open burning for waste disposal purposes.

On July 17, 2007, Kenneth Eng of the Wayne County Health Department observed illegal burning on the property located south of the County Pointe Care Center, Chester Twp. Sec. 30, Parcel # 1000374000. The burning consisted of solid waste and demolition debris. Please be advised that the burning of waste at the above address is a violation of Ohio Administrative Code (OAC) Rule 3745-19, which prohibits open burning for waste disposal purposes. Further, OAC rule 3745-19-06(A) provides for a penalty of up to one thousand dollars (\$1,000) per day for violating the Open Burning Standards.

Enclosed is a copy of the Open Burning Standards. Please make appropriate arrangements to dispose of, or recycle the waste generated by County Pointe Care Center.

If you have any questions regarding this letter, feel free to call me at (330) 963-1209.

Respectfully,

Frank Elchesen
District Representative
Division of Air Pollution Control
