RE: OPEN BURNING  
ASHTBULA COUNTY

Mr. David Suhoski  
1609 Stanhope Kelloggsville Rd.  
Jefferson, Ohio 44047

Dear Mr. Suhoski:

On July 12, 2010, this office received a complaint **alleging** that illegal open burning has been occurring at your residence located at 1609 Stanhope Kelloggsville Rd., Ohio. It was reported that animal waste is being burned for waste disposal.

The purpose of this letter is to inform you of the Ohio Burning Regulations which prohibits open burning for waste disposal purposes of animal waste. Residential waste, generated on the premises, may only be burned if the fire is set at least **one thousand feet** from the nearest neighbor.

If the above allegations are accurate, our primary concern is for you to achieve compliance with the open burning regulations. OAC Rule 3745-19-06 provides a penalty of up to **two hundred dollars** per day for each separate violation of the rules.

If you have any questions regarding this letter, feel free to call me at (330) 963-1241.

Sincerely,

Richard Kolosionek  
District Representative  
Division of Air Pollution Control
