Dear Ms. LeMaster:

I am writing to notify you that today I received the 2006 Hazardous Waste Annual Report for Dayton Power & Light JM Stuart Station. This report was requested in a letter from me dated August 22, 2007, indicating that Ohio EPA had not received a report from Dayton Power & Light JM Stuart Station for 2006. The report has been processed and entered into Ohio EPA's Annual Report database. The violation has been abated.

I suggest that you file this letter with your Annual Report records in case there are any questions during a future inspection. If you need to contact me in the future, you can call me at 614-644-2923 or send an e-mail to [paula.canter@epa.state.oh.us](mailto:paula.canter@epa.state.oh.us).

Sincerely,
