Financial Record Review
Return to Compliance**

Dear Mr. Bley:

On October 30, 2009, I conducted a financial record review for the above referenced facility. The facility was evaluated for compliance with financial assurance and liability requirements as set forth in Ohio Administrative Code (OAC) rules 3745-55-42, 3745-55-43 and 3745-55-47 and Permit Conditions B.33, B.34 and B.37.

Upon review of the above documentation, the following violation was found:

OAC 3745-55-42(E): " A copy of the facility's current, detailed closure cost estimate prepared and maintained in accordance with paragraphs (A) and B() of this rule must be submitted annually to the director of the Ohio EPA."

On November 2, 2009, Ohio EPA received an updated closure cost estimate for your facility. Therefore, Spring Grove Resource Recovery, Inc. has returned to compliance for the violation cited in my November 2, 2009 letter.

If you have any questions, or need further clarification of any matter mentioned in this letter, please do not hesitate to call me at (614) 644-3067. I will be happy to assist you in any way possible.

Sincerely,

Isaac B. Wilder
