**RE: UVMC IW Generator
Return to Compliance**

Dear Mr. Roush:

In a letter dated February 15, 2012, Ohio EPA provided a Notice of Violation letter citing violations that were occurring at UVMC Hospital, located at 3130 North Dixie Highway, Miami County, Ohio. The violations were originally communicated to your staff during an exit conference following an inspection conducted on February 8, 2012. On March 21, 2012, Ohio EPA performed a follow-up inspection of UVMC to determine compliance with Ohio's infectious waste laws and regulations. As a result of the inspection, Ohio EPA determined UVMC abated the following violations:

Citation	Requirement	Action taken
OAC Rule 3745-27-35(A)(1)	Properly handle IW containers to maintain the integrity of the packaging	Facility posted signs and offered training to staff. Re-inspected IW storage in H-pod, J-pod and two storage areas in OB, all locations were found to be in compliance
OAC Rule 3745-27-30(B)(3)	Manage IW containers in a manner as to not cause damage to the bag or container	Facility posted signs and offered training to staff. Re-inspected IW storage in H-pod, J-pod and two storage areas in OB, all locations were found to be in compliance
OAC Rule 3745-27-30(B)(4)	No compaction of IW	Provided education to staff
