Dear Ms. Sechrest:

On March 13, 2012, Ohio EPA received a complaint concerning your property located at 3080 Washington Street, Bellaire, Ohio. On April 9, 2012, I did an inspection of the property and I observed a large quantity of trash accumulating on the porch and the entire back yard was covered in trash. The solid waste must be removed from the above-mentioned property and disposed of at either a licensed solid waste disposal facility or taken to a legitimate recycling facility. Copies of receipts for disposal or recycling should be submitted to this office for proof of disposal.

Violation:

(1) ORC 3734.03 states in part:

ORC 3734.03 - No person shall dispose of solid wastes by open dumping or open burning.

(2) OAC 3745-27-05(C) states:

OAC 3745-27-05(C) - No person shall conduct, permit, or allow open dumping.

Within fourteen (14) days of receipt of this letter you are requested to provide documentation to this office verifying abatement of the aforementioned violations. Failure to redress listed violations and respond within this timeframe may result in escalated enforcement against you for violation of Chapter 3734. (or 3714.) of the Ohio Revised Code, which carries a civil penalty of up to \$10,000 per day for each violation. Documentation of steps taken to return to compliance includes written correspondence, updated policies, and photographs, as appropriate, and may be submitted electronically to erika.jackson@epa.ohio.gov. If you are unable to return to compliance within the fourteen (14) day timeframe, please contact Erika Jackson at (740) 380-5228.
