**Re: Return to Compliance – Receipt of 2009 Hazardous Waste Annual Report  
FORMER H AND M METAL PROCESSING FACILITY, CUYAHOGA FALLS -  
OHD004163614**

Dear FRED R GUERRA:

I am writing to notify you that I received the GM and OI forms for the 2009 Hazardous Waste Annual Report for your site on November 10, 2010, followed by the Site ID form on November 18, 2010. This report was requested by me in a letter dated October 15, 2010, indicating that the Former H&M Metal Processing Facility had not submitted a report for hazardous wastes generated during 2009. The report has been processed and entered into Ohio EPA's Annual Report database, and the violation has been abated.

I recommend you file this letter with your Annual Report records in case there are any questions during an inspection. Feel free to contact me in the future at (614) 644-2891 or [maryann.silagy@epa.state.oh.us](mailto:maryann.silagy@epa.state.oh.us).

Sincerely,
