Dear Ms. Coughlin:

I have received your May 22, 2012 e-mail which responded to the violations and concerns found during my March 29, 2012 inspection of DAI Ceramics at 38240 Airport Parkway, Willoughby, Ohio. As outlined below, you have documented a correction of all the issues.

1. **OAC Rule 3745-52-11 – Hazardous waste determination.**
Your e-mail documents the correction of this violation.
2. **OAC Rule 3745-279-22(D) - Response to releases of used oil.**
You had previously documented the correction of this violation. In addition, the system described in your e-mail should be able to avoid this problem in the future.

Your e-mail also documented the correction of the concern regarding the drums of nonhazardous waste stored outside.

If you have any questions, please contact me at (330) 963-1217, or robert.almquist@epa.state.oh.us.

Sincerely,

Robert Almquist
Division of Materials and Waste Management
