Dear Ms. Cleary:

Thank you for your May 18, 2012 e-mail response to Ohio EPA's May 16, 2012 notice of violation. The documentation submitted demonstrates abatement of the one cited violation regarding training.

You indicated you did not receive the pictures regarding oil staining that were to have been attached to my May 16th letter. I e-mailed those pictures to you on May 23rd. You indicated you would investigate this issue. We look forward to your response that discusses what has caused the staining and what steps might be taken to prevent a recurrence.

If you have any questions related to this letter, feel free to call me at (330) 963-1226 or e-mail me at sherry.slone@epa.ohio.gov.

Sincerely

Sherry Slone, P.E.
