Return to Compliance
OHD 045 243 706 / 03-48-0092
RCRA Hazardous Waste / Lucas County

Dear Mr. Humphrey:

On May 9, 2006, Ohio EPA cited ESOI in violation of Permit Condition A.27(c). On June 6, 2007, Ohio EPA cited ESOI in violation of A.27(c) for the second time, cited ESOI in violation of Permit Condition K.9, and wrote a notice of deficiency. To abate the violations and eliminate the deficiency, ESOI was required to submit the appropriate information to address comment numbers 17 and 19 in Permit Condition K.9.

Thank you for submitting permit modification requests to add geologic cross sections to ESOI's permit and to add a Master Boring and Well Log to ESOI's permit. The permit modification request to add cross sections to ESOI's permit was received on March 17, 2008, and approved May 8, 2008. The permit modification request to add the Master Boring and Well Log was received on November 26, 2007, and approved on February 8, 2008. These permit modifications abate the outstanding violations listed below.

| 5/9/06 NOV Citation | Rule/Permit Condition Citation |
|---------------------------|---|
| 1 | Permit Condition A.27(c) requires the permittee, in part, to incorporate information required by Permit Conditions K.9. |

| 6/6/07 NOV Citation | Rule/Permit Condition Citation |
|---------------------------|---|
| 1 | Permit Condition A.27(c): Same as above. |
| 2 | Permit Condition K.9 requires the permittee to address all the comments outlined in Attachment A of the permit. |

Mr. Kenneth Humphrey
