Hazardous Waste
Return to Compliance

April 25, 2012

Mr. Brian Langhals
Diamond Manufacturing of Bluffton
P. O. Box 73
Bluffton, Ohio 45817

Dear Mr. Langhals:

Thank you for your March 14, 2012, response to Ohio EPA's February 27, 2012, Notice of Violation (NOV) letter. You submitted documentation including your universal waste training outline and photos of closed and properly labeled and dated containers for spent lamps.

My review of this documentation reveals that Diamond Manufacturing of Bluffton has adequately demonstrated abatement of four violations including:

1. **Universal Waste Packaging - Lamps**
OAC Rule 3745-273-13(D)(1)
2. **Universal Waste Labeling - Lamps**
OAC Rule 3745-273-14(E)
3. **Accumulation Time for Universal Waste - Lamps**
OAC Rule 3745-273-15(C)
4. **Universal Waste Employee Training**
OAC Rule 3745-273-16

These violations were discovered during my February 16, 2012, inspection.

Mr. Brian Langhals
