**RE: TTI Tire Ohio, LLC
Class II Scrap Tire Recovery Facility**

Dear Ms. Nickman:

Ohio EPA conducted a review of the revised financial assurance documentation submitted for a class II scrap tire recovery facility. The financial assurance mechanisms were evaluated for compliance with the requirements for financial assurance for a class II scrap tire recovery facility as set forth in the Ohio Administrative Code (OAC) Rules 3745-27-15 and 3745-27-17.

To demonstrate financial assurance, TTI Tire Ohio, LLC submitted a letter of credit with a standby trust agreement. Based on this review, Ohio EPA finds that the amount of the letter of credit, \$10,000.00, and the wording of the letter of credit and standby trust agreement meet the requirements of the financial assurance rules. Therefore, TTI Tire Ohio, LLC is in compliance with the financial assurance rules for a class II scrap tire recovery facility.

If you have any questions, please contact me at (614) 728-5343.

Sincerely,

Fanny Haritos
