Accubuilt, Inc.  
Premise #0302020314  
Notice of Violation/HPF

February 24, 2009

**CERTIFIED MAIL**  
**7002 2410 0003 1155 9963**

Mr. Bill Jones, Director of Engineering  
2550 Central Point Parkway  
Lima, Ohio 45804-3890

Dear Mr. Jones:

The Division of Air Pollution Control/Northwest District Office (DAPC/NWDO) has reviewed Accubuilt, Inc.'s Fourth Quarter 2008 deviation report dated February 3, 2009 for permit to install (PTI) No. 03-17125. We are requiring a written response to this Notice of Violation by March 27, 2009.

The company reported coating usages and organic compound (OC) emissions in excess of PTI allowable levels of 10 gallons per day and 59.2 pounds OC per day for emissions units K002 and K004 as follows:

Emissions Unit	Date	Coating Usage (gallons)	OC Emissions (pounds)
K002	10/22/08	12.515	No deviation
K002	10/23/08	12.515	No deviation
K004	10/27/08	15	68.783
K004	10/28/08	12.735	No deviation
K004	10/29/08	12.617	No deviation
K004	10/30/08	10.156	No deviation
K004	11/3/08	10.289	No deviation
K004	11/5/08	12.187	No deviation
K004	12/8/08	11.156	No deviation
K004	12/12/08	13.031	59.550
K004	12/23/08	11.753	No deviation

These are violations of permit term Part II.A.1 for each emissions unit K002 and K004, OAC rule 3745-21-09(U)(2)(e)(iii), OAC rule 3745-31-05(A)(3) and Ohio Revised Code 3704.05. It is our understanding that prototype vehicles were being test painted on each of the days listed above, and these vehicles required more paint than originally expected.
