Subject: Resolution of Notice of Violation (NOV-HPF) issued on August 20, 2007 to  
MCI Service Parts, Inc. (0303000098)

Dear Mr. Roth:

This letter shall serve to resolve the Notice of Violation (NOV) issued on August 20, 2007. The August letter was sent as a result of an inspection that occurred on August 1, 2007. Following a review of the facility's records at the time of the inspection, it was determined that MCI Service Parts, Inc. had failed to submit permits-to-operate (PTOs) for K001, K002, K003, L002, R001 and R005.

On August 20, 2007, MCI Service Parts, Inc. submitted PTO applications for the above mentioned emissions units. Ohio EPA's review of the PTO applications is pending at this time. Therefore, the violation outlined in the August 20, 2007, letter to the company is resolved and requires no further action.

Should you have any questions or comments concerning this letter, please feel free to contact me at the above referenced address or call (419) 373-4112.

Sincerely,

Jennifer L. Jolliff  
Division of Air Pollution Control
