**NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Elliott:

On 6/11/2007, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Circle Management, Co. to submit written assurance that future renovation or demolition projects will comply with all applicable rules and regulations. CDAQ is in receipt of a corrective action plan dated July 3, 2007, stating that all future renovation projects will comply with all applicable regulations.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Kristoffer Gontkovsky at (216)420-8049.

Sincerely,

George Baker  
Chief of Enforcement, CDAQ
