Dear Mr. Henski:

Thank you for your June 1, 2012 response to Ohio EPA's May 16, 2012 Notice of Violation letter. Your response was received on June 4, 2012. The documentation you submitted included photos of properly labeled hazardous waste containers, photos of emergency information posted by the telephone, and documentation that employees have been trained in emergency and waste handling procedures.

My review of this documentation reveals that Hi-Vac Corporation has now abated all violations discovered during the May 2, 2012 inspection.

If you should have any questions, please contact me by phone at (740) 380-5293 or by e-mail at donna.goodman@epa.ohio.gov.

Sincerely,

Donna Goodman
Inspector
Division of Materials and Waste Management
