Dear Ms. Kabat:

This letter shall serve to resolve the Notice of Violation (NOV) issued to the above referenced facility on April 6, 2007, in regards to the November 17, 2006 stack test conducted. With the installation of the low NOx burners and the installation of the CEMs equipment for NOx and CO and the submission of a permit to install (PTI) modification to allow for furnace burner system upgrades, we believe that the matter is resolved and that it requires no further action. The PTI modification #03-17377, was issued final on October 30, 2007.

If the company has any questions and/or comments concerning this letter, please contact me at the above address or call (419) 373-4110 or email at; Erin.garay@epa.state.oh.us.

Sincerely,

Erin M. Shalabe
